

The Holidays are Coming!

By Dave Short

It's time to get ready for the holidays! There is a lot to do! Neighbors InDeed can help. "How?" you may ask. We can set up your (six foot or less) artificial Christmas tree and we will take those boxes of decorations (30 lbs. or less) down off the shelf for you. We can turn or rotate mattresses so your guests will have a comfy bed to sleep in.

What else do we have to offer? We have a long list of people and companies that are ready to spring into action at your request. Your house is one of the most important things to get ready for the Holidays. We can provide you with the names and numbers of house cleaners. They can provide that last-minute extra touch-up or long-term regular cleaning as you desire. Christmas lights hung up? How about getting those carpets cleaned? We know some people in the biz.

We can put you in touch with pet sitters and groomers. We know folks that do that.

Do you need a handyman to fix that leaky faucet or change out that light switch that's not working? We have some names.

Do those rain gutters need cleaning? A ride to the airport? We have those people on our list. Give us a call.

The best gift of all is you. Neighbors InDeed needs volunteers. Some to take your calls, some to assign tasks to Handy Helpers, and some to do those jobs you ask us to do. Please consider giving of yourself. Your community needs you!

Remember, we do not answer the phone. Leave a message at 916-223-2763. We will call you back between 9 AM and 5 PM Monday through Friday.
